Revolutionising the way Job Network's do business

Intrepidity Pty Ltd and BSI Learning is proud to announce the launch of ezySkillz – an innovative program designed to deliver Intensive Support Job Search Training as a user-friendly e-learning tool.

Meet Jetto!

Jetto is our welcoming committee and he makes himself known right through the training. He even manages the Awards Viewing Room.

Who will benefit by using ezySkillz?

- Consultants – Administration ease
- Jobseekers – Informative and interesting
- Business – Happy Staff!!!
- Bottom Line – Cost effective

What does DEWR say about ezySkillz?

The Assistant Secretary of Intensive Support Services Branch described it as; quote - 'an innovative product which has the potential to assist Job Network Members to deliver Intensive Support Job Search Training'.

They congratulated us on our interest in improving the delivery of the Governments Job Network Services. They advised that they are not able to recommend the use of ezySkillz to Job Network Members. However! They also advised: -

Quote - 'it is the decision of each individual Job Network Member organisation as to what arrangements they adopt to deliver Job Network Services, providing of course, that these arrangements meet the conditions of the Employment Services Contract'.

Further quote – 'I encourage you to contact Job Network Members to further explore the potential utilisation of your e-learning tool. Thank you again for bringing this information on the ezySkillz e-learning tool to the Department's attention. I wish you well with your endeavours'.
